ACCOMMODATION

We know our students are different and we make sure to provide accommodation options for all tastes and budgets.

Whether our students are looking to connect with others during their free time, wish to be in the middle of the night life, or prefer access to a garden and pool to kick back and read a book under the sun rays, we have them covered! We can arrange the following accommodation types:

- With a family
- Hotel
- Hostel
- Private apartment

PROFESSIONS

- Mechanics - Automation - Electronics - Electricity - Mechatronics - IT
- Hotel Reception - Hotel Housekeeping - Restaurant Waiter - Chef Assistant - Travel Agency - Museum - Hair & Beauty
- Architecture - Art and Design - Graphic design & Multimedia

SPECIAL PROGRAMMES FOR SHORT-TERM MOBILITIES

Students can
focus on
learning, we take
care of the rest!

We can offer 2 to 4 weeks of training sessions for 4-5 hours per day.

The minimum required number of students is 15 per profession.

We can arrange for translation services from Spanish to English or students' native language.

We can help students obtain certification and mentoring in a professional training centres or real companies.
